Repeat ER Visits MH	16.3 %
Repeat ER Visits SA	22.4 %
Readmits for Select HIGs	15.5 %

"RANK" refers to the ranking among all 14 LHINs based upon the most current quarter of reporting for the respective indicator. A ranking of 1 represents the most desirable result. A green rank represents a result that is in the top 5 LHINs, a yellow rank represents a result that is for the middle 4 LHINs, and a red rank represents a result in the bottom 5 LHINs.
