The North Simcoe Muskoka Local Health Integration Network (LHIN) is one of 14 local organizations in Ontario that plan, coordinate and fund local health services and deliver high quality home and community care to patients and families. The North Simcoe Muskoka LHIN is committed to health improvement, innovation, and the establishment of collaborative partnerships to improve population health, patient experience and value for money across the health care system.

LHIN staff incorporates the best aspects of teamwork and continuous learning as they work with the local community to ensure the best health outcomes for everyone. If you have a passion for excellence and an entrepreneurial spirit, this is your opportunity to make a difference as part of a dynamic team transforming the Ontario healthcare system.

Advisor, Financial Health and Accountability

As an Advisor you will provide support and guidance in the development and implementation of funding allocations as well as related contract and performance management for the hospital, community and long term care sectors. The role will collaborate with a variety of internal and external stakeholders to provide financial related expertise in preparation and analysis of business cases and briefing notes.

Your qualifications and experience will include:

- University degree in business, accounting and/or finance required.
- Chartered Professional Accountant designation (CPA) is preferred.
- Five (5) years' experience performing financial analyses and critical evaluations of complex financial programs in a health care sector organization.
- Previous experience with Ministry of Health allocation and payment tracking system an asset.
- Demonstrated experience with operational or strategic decision-making related to program funding.
- In-depth understanding of the health-care system, its stakeholders, programs and issues.
- Solid understanding of provincial funding models in use across one or more health-care sectors and familiarity with government financial processes, policies and standards (OHRS, MIS/SRI reporting).
- Demonstrated experience to identify and respond quickly to emerging issues and priorities.
- Strong attention to details, demonstrated integrity and professionalism with a solid understanding of financial controls.
- Excellent analytical and problem solving skills to make informed decisions and provides expert advice.
- Proficiency in French is an asset.

To apply for this position, state ' ADVISOR" in the subject line of your email and send with your résumé to nsm.careers@lhins.on.ca .

The LHIN is governed by the requirements of the *French Language Services Act* and therefore encourages applications from French speaking candidates.

The LHIN is committed to accommodating people with disabilities as part of our hiring process. If you have any special requirements during the recruitment process, please advise Human Resources.

We thank all applicants who take the time to apply; however, only those invited for an interview will be contacted.

As part of the mandatory screen process the LHIN requires professional references, verification of academic training, professional accreditation, plus a current Criminal Records Check.
