The North Simcoe Muskoka Local Health Integration Network (LHIN) is one of 14 local organizations in Ontario that plan, coordinate and fund local health services and deliver high quality home and community care to patients and families. The North Simcoe Muskoka LHIN is committed to health improvement, innovation, and the establishment of collaborative partnerships to improve population health, patient experience and value for money across the health care system.

LHIN staff incorporates the best aspects of teamwork and continuous learning as they work with the local community to ensure the best health outcomes for everyone. If you have a passion for excellence and an entrepreneurial spirit, this is your opportunity to make a difference as part of a dynamic team transforming the Ontario healthcare system.

Nurse Practitioner, Integrated Palliative Home Care Program

As an integral member of this interdisciplinary team, you will provide direct care to complex palliative patients and provide care connections across health care sectors for our patients in the sub-region Muskoka. Working collaboratively across the health care system, the Palliative Care Nurse Practitioner will provide expert clinical leadership to support seamless, integrated care delivery.

You will also be involved in all domains of advanced practice nursing, including mentoring and coaching case managers, service providers, nursing and physician colleagues, as well as participate in educational initiatives to advance evidence-based practices in palliative care.

Qualifications:

- Current registration with the College of Nurses of Ontario in the Extended Class required.
- Nurse Practitioner program with BScN
- Demonstrated experience in Palliative Care Nursing, preferably in a community setting
- Demonstrated advanced knowledge in consultation and ethical decision-making
- Demonstrated use of theory and evidence to advance clinical practice and outcomes
- Excellent interpersonal and communication skills to communicate with patients' and families
- Strong planning and leadership skills
- Must have valid driver's license and access to a vehicle

To apply for this full-time position, state ' NURSE PRACTITIONER" in the subject line of your email and send with your cover letter and résumé to nsm.careers@lhins.on.ca by August 31, 2018.

NSM LHIN is governed by the requirements of the *French Language Services Act* and therefore encourages applications from French speaking candidates.

NSM LHIN is committed to accommodating people with disabilities as part of our hiring process. If you have any special requirements during the recruitment process, please advise Human Resources.

We thank all applicants who take the time to apply; however, only those invited for an interview will be contacted.

As part of the mandatory screen process NSM LHIN requires professional references, verification of academic training, professional accreditation, plus a current Criminal Records Check and Vulnerable Sector Screening.
