

The North Simcoe Muskoka Local Health Integration Network (LHIN) is one of 14 local organizations in Ontario that plan, coordinate and fund local health services and deliver high quality home and community care to patients and families. The North Simcoe Muskoka LHIN is committed to health improvement, innovation, and the establishment of collaborative partnerships to improve population health, patient experience and value for money across the health care system.

LHIN staff incorporate the best aspects of teamwork and continuous learning as they work with the local community to ensure the best health outcomes for everyone. If you have a passion for excellence and an entrepreneurial spirit, this is your opportunity to make a difference as part of a dynamic team transforming the Ontario healthcare system.
